It's obvious you're the real deal, darlin', with that pretty red hair and fuzzy orange pussy!

Boys are always teasing me about my hair! They used to call me a freak because it was all orange. But now they say naughty things, like, they want to pull down my panties to see if it's orange down there, too! Like I'm going to show any boy my naughty bits! Unless I'm in love with him, that is. Then I'll let him see and touch and maybe even lick! Oh, and of course I'll let him go all the way after awhile. I figure once you're in love you can do anything because you can trust the guy. I know that's corny but I don't care. I totally believe in true love no matter what those nasty boys at school say!

2X The Pleasure

Jacqui and I look so much alike with our blonde hair and nice curvy figures people think we're twins even though we're not related. She and I and Rick have been best friends forever! We know everything about one another. For instance, they know I'm still a virgin; I know they're not. Until last weekend, anyway.

Rick's always had this fantasy about making it with twins. Jac and I were just joking when we started kissing each other, but when she slid her hands under my sweater to play with my nipples, we both started really going at it. When she nudged me back against Rick, my ass against his hardening cock, he groaned and gripped my hips. "Okay, joke's over, guys. You can stop now."

Jac rolled my nipples between her fingers, making me squirm against Rick. "Do you want to stop, Kris?"

"No!" It felt too good to stop!

"Then let's show her what she's been missing, Rick!"

Jac pulled my sweater off, exposing my creamy breasts, then started licking and sucking my dark nipples. I hadn't had a boyfriend for awhile, so it didn't take much to get me really turned on! Jac pulled

off my shorts while Rick stripped down to his boxers, then he pulled me into his lap, nothing but my black thong and his boxers between my ass and his hard cock.

He started nibbling and kissing my neck while Jac played with my tits, and I just melted back against him, moaning in pleasure. Jac stripped down to little red panties, her pink nipples as tight as mine when she pushed my thighs wide apart to kneel between them. Her soft hair tickled the insides of my thighs as she pulled my thong aside and started licking my pussy and sucking at my clit, her fingers sliding into my wetness to fuck me. Rick teased my nipples and ground his cock against my ass while Jac ate me until I screamed in pleasure, my fingers tangled in her hair to hold her mouth there.

I was still quivering when Jac reached under and released Rick's cock, guiding it up between my thighs, along my wet slit. I writhed and squirmed, rubbing against it, whimpering because it felt so good.

Then Rick asked, "Do you want me to fuck you, Kris?"

"Oh god, yes, please!" Like I was gonna say no? It was so hot, watching Jac guide Rick's cock into my pussy. I thought it would be too tight the first time, but I was so slick and wet, it just slid right in! Rick started thrusting up under me, deeper and deeper. It felt so good, I tried to make it last, but Jac started sucking and licking my clit again and I came so hard, I think I passed out!

They spent the rest of the night showing me what I'd been missing. I guess Rick got to find out what it's like to make it with "twins," after all!

Friday Fun

I'd fantasized about my roommate's guy Keith ever since I caught them fucking one evening. His big fat cock looked so yummy, hard and slick with girl juice. I just wanted to taste it! They got dressed really fast and left, but after that, all I could think about whenever I saw Keith was his cock. I'm pretty

sure he knew, too! Then Sue went home one weekend to visit her folks.

Keith came over Friday night just to hang, and we talked about school and stuff. Then out of the blue he said, "I bet you're still a virgin, huh?" I was blushing like crazy when I told him I wasn't really interested in sex, but he could tell I was lying. He slid his hand down my back to cup my ass and whispered, "I could teach you all about it, if you want."

He kissed me slow and hungry, and I just about creamed my white lace panties right then and there! He undressed me slowly, touching me everywhere, and when he took off his own clothes, my mouth just watered at the sight of his big hard cock! I reached out to touch it, and he let me explore all I liked. Then he moved closer and brushed the tip against my lips, telling me to suck it! I'd definitely never done that before, but I just opened my mouth and he slid inside and, oh, fuck, the taste was so good I couldn't get enough! He grabbed my long brown hair and started sliding in and out, thrusting so deep I gagged, but I didn't want to stop! I sucked and licked until he started cumming, and I still didn't stop! I just sucked and swallowed all that salty cream!

"Such a good little cocksucker, Lili." Keith pulled his cock out of my mouth and pushed me back on the bed. "Let's see what else you're a natural at!" He ran his hands all over my skin, sucked on my little pink nipples, then pushed my thighs wide apart and licked along my creamy slit. He sucked on my clitty, then started fucking me with his tongue until I came so hard my juices just flowed all over his face!

Then he flipped me over onto my belly and started licking the crack of my ass! It seemed really dirty, but felt so good especially when he started tongue-fucking my tight pink rose. Then he slid two of his fingers into my virgin cunt and started fucking me there, too! I've never cum so hard in my life! Then watching him lick all that creamy girlcum off his fingers almost made me cum again! I could taste myself on his lips when he kissed me, then he told me he couldn't wait to take both my cherries! Sue's gonna kill me for sure if she finds out, but I gotta tell you, I can't wait for the next time she goes home for the weekend!

Damn! My
pussy's drooling
all over the place
just watching Eva
do the bendy
thing!

Suzie & Eva

Eva and me have a band (Gyrly Gyrrels... isn't that the baddest name?!) and we gig at the hottest bars. Mostly it's 'cause our music rocks, but it's also 'cause we're lesbos and that turns the guys on something fierce. They can tell that Eva's the girly girl; she's all giggly and stuff. I'm way more butch, especially about sex. I like to do her with this big dildo, especially when she does that bendy shit. I mean, she turns herself inside out and it's so hot! It makes me so horny that sometimes I fuck her right after a gig, right in the dressing room. Sometimes I'll even let a couple of groupies watch and man, they cream their panties watching Eva do her shit!

Okay! I dig fucking older men! What's the big deal? High school boys are in too much of a hurry, and the self-centered preppies around here concentrate on their own pleasure rather than mine. That's not for me, honey. I want a stud to take his time and gets me off! Like this guy I met on the street the other day! He's the best pussy-eater ever. He keeps his wrinkled face buried in my cunny for hours and makes me cum. Then there's this other dude who pulls out of my cooze at the last minute and shoots gigantic cum wads down my throat. This other guy from the mall, on the other hand, stays put until he's created a nice, mushy creampie in my shaking box. I have yet to find a gentleman who wants to stick his member up my virgin asshole, but I will!

FUCK

Ann is such a bad girl! It seems that this little vixen prefers more mature man meat!

I go to America last summer for exchange and I had best time ever! You see, I live in very small village in Germany and I do not know everything about being grown up even though I am 18 years of age. My mother and father take very good care of me but they — how you say — make me too safe? But when I go to America I found out all about many things my mother and father not want me to know!

My family was so nice. My American mom and dad were very, um, cool, not like my parents. They talk funny and act crazy and they like lots of noise and fun. They have loud American rock music all the time and they are always saying the bad words and drinking very much wine. It was like they are not even grown up!

But the daughter of the mom and dad, she was maybe too much grown up. She said the bad words, too and she took — I mean stole? — some of her mother's wine! That was not big deal to me because in Germany I have one glass wine at dinner every night. But I know in America that is not so, and that police can arrest teenager for doing it.

Shayne said not to worry because the police would not find out but I was still little bit afraid. But after three glasses wine, I was not too worried anymore and I was having very much fun. Shayne was saying all the things we would do in America, like go to a 'kegger', and meet all her very fun friends. She said that she would show me good time and that I would be so happy I had come to America. When I went sleep that night, I was tired and little bit dizzy, but I was excited, too because I would learn so many new things. I did not even miss my mom and dad because I knew I was getting grown up already!

Next day my American mom gave me pancakes for breakfast, very sweet! Then

GERMAN PUSSY

Shayne took me many places, like the American mall where I bought jeans and pretty things. We saw the movie, "Pirates of the Caribbean", and Shayne said Johnny Depp made her panties wet. Oh! I knew that mean dirty things because when I touch myself I have wet panties too! But I never said such a thing, not about a boy. I think those things, though, and Johnny Depp wets my panties too. I told Shayne and she said since I like boys we would have very good time that night.

I not know what she mean until we were at the 'kegger' in a frat house basement and I saw so very many cute boys. Shayne knew very many of them and said I should meet them. When I said I come from Germany, they like me very much! One boy, Jordan, he say he get me a beer. Oh my, you Americans have very bad beer! But I drink it anyway because Jordan was so nice. He say I'm pretty and speak good of English. After we talk forever he hug me and say I'm sexy, too!

And I believe him because his sex was very hard when he hugged me. I have never felt a — what you call it? Penis? — so near and it was so big I was scared. But feeling it was making wet in my panties again!

So I let him hug me more and then he kiss me. I am embarrassed to say, but it was my first ever. And it was very much wet! But, ooh, I like it. First it was soft and then Jordan lick my lips and that was very sexy. Then he was using his tongue in my mouth and at first I was not happy but soon I began to like it very much.

I was brave and I kiss him back very sexy and that made him much more, um, excited. I could feel it. And my panties were getting very much stickier; I never know that could happen just from kissing! After we do that for very long time, Jordan then was touching my, um, boobies. If any other boy try that I would slap him, but Jordan was very good. He put his hand in my bra and squeezed my little buds and it made more girl juice come out. Plus my girl place, like the little button where I touch myself to cum, was very tingly.

That's why I let Jordan's hand go up skirt and down my cotton panties! I was very red face at first, because of all my sex juice, but Jordan say he like it very much, like it was a good thing. And when he put his finger in my girl hole it felt like very good thing, indeed!

I knew I should do to him what he do to me and I was little scared but then I got very brave and unzip his jeans. When his man thing popped out I made a noise because it was so big! And I had never had a penis before so I did not know what to do. But then Jordan tell me.

I did exactly what he say and held it very tight. Then I start going up and down, slow first then fast. I was very proud because Jordan liked it

very much. He was making strange groaning noises and also doing his fingers very fast in my girl hole.

My legs were becoming very weak and I want to sit down. But really I want to lay down because I knew what Jordan wanted to do. And I want it, too! I knew that he would stick his thing up in me and that I will not be virgin anymore. Yay! I never thought I would want to because I had not felt the sexy thing with a boy, even though my friends have all done it many times. But Jordan made my sex thing want it very badly.

Jordan's penis wanted it, too, and so we lay on a bed in some back room and he pull my panties down. Then — you will not believe! — he put his face between my legs and his tongue on my sex button. I thought it must be so very, um, not good for him but he acted like he like it. He pulled my sex lips apart and was licking very fast on my button. It feel so good that I forgot about it being bad and just did groaning noises like Jordan. Only I was all squeaky and my breath was coming very fast.

After he licked my button for many minutes, I feel the tingly thing and I knew I was going to have, what you say, orgasm? I was scared Jordan would not like it but I could not help it and soon I was doing the thing and my body was like fire all over, especially my sex button. And it kept happening because he licked me more, until I was so tired from it I could not orgasm any more.

He came up and kissed me — with his mouth all wet from girl juice! — and he was smiling like he happy that he did that for me. I was happy, too, and when I felt his penis on my wet hole I push up so a little go inside. Oh! It was so different but it was very good different. So I did it again and more of his thing go up me. Then he know I really want it and he pushed it all the way in.

It did not even hurt, it felt like I was having the orgasm again, even! And when he started doing the real sex thing — you know, when he push in and then come out? — it felt very much good. I even grabbed his bottom so that he could push more of it inside of me.

After awhile he was doing it so fast I could not keep up so I laid back and let him do it to me. Oh, my, it felt so very good. So full and, um, sensitive, and very sexy. Jordan was happy, too, because he was groaning again, only lot more now. I was little scared he was hurting himself but then he pushed extra hard and I could feel his man juice inside of me! Like it was going way up far. He pushed harder and more and more of it filled me up all full. Afterward, I felt so good for doing the sex thing! And proud, too. Jordan was very sweet and stayed with me — getting me those very bad beers! — until we leave. I gave him my American family's phone and I very much hope he calls so that we can do even more sex! 18

See these two big fat dildos? I swear I'm gonna get me two guys with dongs just like these. See, I'm at Padre Island (because daddy paid for Spring Break for his little princess) and I've already seen about 20 guys I wanna fuck! The kid who brought in my bags was so hot, I could see his rod all hard in his pants and I knew it would be great stuffed inside me! I'm wondering if he's got a friend so they can do me together. Dirty, huh?! I was even thinking I might want one guy's dick in my pussy and the other guy's wanker in my a-hole at the same time. I don't know if they'll both fit, but I know it'd be awesome just trying to put 'em in!

Daddy's gonna flip if he finds out his precious little princess is really a DP slut!

My friend set me up with this guy, and at first I thought it was cool 'cause he was way hot and I knew he thought I was sexy. So I invited him up to my dorm room for a coupla beers (and maybe more!). But then he started going on about my computer. Don't get me wrong, I love geek talk, but I wanted to get some meat into my 18-year-old slice! I grabbed onto his crotch through his pants and told him to either shut up and fuck me or to get the fuck out! He went with the first half of my offer, but after three minutes of eating my pussy and a whopping two minutes sticking it in my cunt, Mr. Geek was finished and I had to do myself with my dildo! What a fucking nerd!

We moved to Arizona the summer before my senior year and it's so fucking hot I could just die. No shit, I mean, it's like 110 degrees every day!

But I guess I kind of got used to it, because after awhile the hot air made me, well, hot, you know? Like strip-off-my-clothes-and-play-with-my-clitty hot! By the time school started I was so horny I could hardly stand it. I guess

it's obvious because the guys are all over me now; it's wild. Before, I was kind of dorky, but now I'm like the hottest (haha) girl in school.

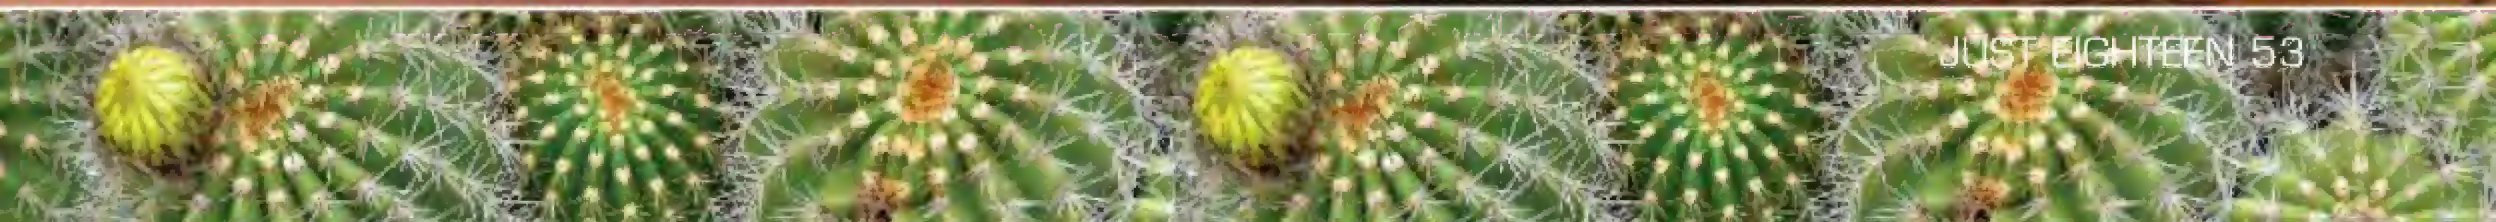

I'm thinking that pretty soon I'll take one of those cute boys in my class home to my air-conditioned bedroom and let him pop my red-hot cherry!

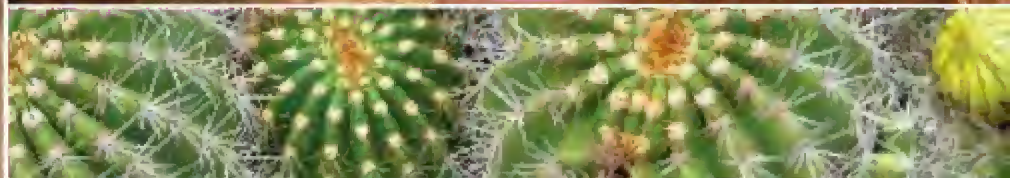

Mmm, sweltering in the summer sun brings out the sweaty slut in all of us!

WICKY

My girlfriend and I went to France right after senior year. Does that rock or what? We stayed at her aunt's house, which was a mansion compared to my dirty old house in Indiana. I mean, my bathroom was bigger than my bedroom back home! Plus it had the coolest thing; it was like a toilet or sink, only not. See, the water spurted up and it tickled my clit, can you believe it? I totally didn't want to ask my friend about it since I knew she'd think I was stupid. Plus it'd be weird. "Hey, Ginny, do you get off every morning on that thing, too?!" So I kept my mouth shut, and me and my clitty had the best vacation ever!

It felt so bizarre coming home from college on winter break. I mean, there I was, all grown up, but as soon as I got back home, it was like nothing had changed. My room was all pink and girly, which made me remember how much I wanted to lose my virginity on my pretty bed! But, nope, I went to college with my cherry still intact. It sure didn't stay that way, though! The first day I met Charles, a fourth year law student, we started doing it in my dorm room, his apartment, the movie theatre, the back seat of some stranger's car; pretty much everywhere!

The girl who used to fantasize in her girly bed could never have imagined all that!

Innocent, little Sophie took Sex 101 in her first semester at school and got an A+!

When I came to America I knew I would be a model because I am so pretty! So now I am working hard and saving money to get a nice portfolio for the modeling agencies. I'm hiding my job from my mother, though, because my job is naughty; I'm pole dancing in a bar! It is very fun to do something so sexy and to have so many men in love with me. And because I am so pretty, I make very much money. And I have very much sex, too, because when I am done at night, I am so damn horny that sometimes I let one of the customers take me home. My boss would not like that so I can never tell him or my mother about that!
